CIRCULAR No. 2706.
BOMBAY CASTLE, 9th August 1950

CIRCULAR OF GOVERNMENT.

Government has noticed that in a number of cases the sanctioning authorities refuse the leave due to Govt. servants before the date of compulsory retirement on the ground of the requirements of the Public service. Such refusal results in the Government servant getting an indirect extension under Bombay Civil Services Rule 753 and also involves extra cost on account of leave salary and pension in some cases. Government wishes to impress upon the Heads of Departments and Secretariat Departments that leave asked for as preparatory to retirement should not be refused, unless such a course is absolutely necy. ~~xxx~~ in the public interest. The authorities competent to sanction leave should scrutinise such cases carefully and where leave is proposed to be refused, satisfy themselves that administration would otherwise suffer appreciably.

2. The Heads of Departments should also report to Govt ~~thxx~~ at the end of the current financial year the number of cases in which leave was refused by them or authorities competent to sanction leave under them under Bombay Civil Services Rules 753 (a) during the year and reasons for such refusal.
